

Investigative Bible Study

This is a time to practice studying the Bible for yourself. Today we're trying investigative Bible study, where you start with a question and try to find an answer to that question. Today's question is "Is it unwise to compare yourself to others?"

Please use this handout to guide your studying. We'll have a brief time for discussion at the end. (you do not have to share if you don't want to, and you won't be turning this in. Also, please feel free to look stuff up and use google. This is not an exam)

Getting started:

- Make a list of possible answers
- For each of the possible answers you listed:
